

We are celebrating the 25th Anniversary of the FERDCO PRO2000

Now you can get the original modified FERDCO that was offered in 1992 that is the most popular leather stitching machine design.

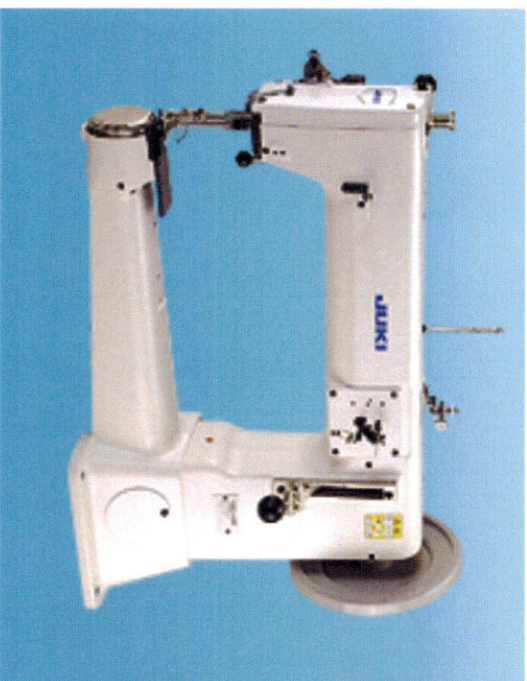

Why have a copy when you can get the original?

Special order:

Reissue Model FERDCO PRO2000

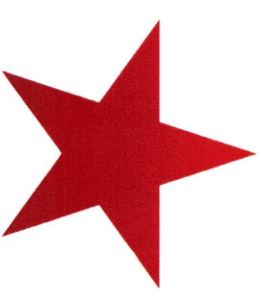

Modified on a JUKI 441 just like the original in 1992, but with new style servo motor and speed reducer

\$6,495.00 Complete.
