## FERDCO SUPER BULL PRO 2000

Features patented needle guard and plate to prevent skip stitching. Only on Genuine Ferdco Machines.

**The ORIGINAL since 1993** Most copies are of this machine (Artisan Toro 4000, Cobra Model 4, Cowboy 204) and do not have the Ferdco patented needle guard and plate.

Model of Ferdco Leather Machines	Date Manufactured
Chandler 305 Bull	1964-1968
Adler 105 Bull	1968-1979
Adler 205 Bull	1980-1985
Ferdinand 900 Bull	1985-1993
Juki Pro 2000	1993-1995
Ferdco Pro 2000 Super Bull	1995-Present

Ferdco has also made many other smaller and lighter leather machines. The above list are the machines they are most known.
